Letter no. 493/T.A.D.A.II dated 1.5.33 returning the Statement with the remarks that it is not acceptable as the figures available in the Audit Office is Taluk wise whereas the Statement contains Station & Range-wise distribution of the force & that the figures furnished by the D. C. of Police may be accepted with the exception of L.A to certain Constables who are already in receipt of P.A of Re 1 or & the cycle allowance to orderlies in the Provincial Reserve Police etc.

16) The condition referred to in G.O dated 6.12.32 flag N. limiting the pay of Constables to Rs 16/- including allowances, applies to Constables other than those employed in cities & Railway Police in the latter place. As such there could be no objection for a Constable Stationed in cities (including Ry Police Constables) getting L.A or Rs17/- even though he may be recipient of P.A of Re 1 & on the whole Rs 16/-.

17) The number of Constables under 3 Police force to whom, among others, P.A of Re 1 is Shown will be getting L.A also, so long as they are employed in Cities. This concession is perhaps due to the costliness of living in cities.

18) The only condition that could be advanced from the audit point of view is that the number of Constables entitled for P.A of Re 1/- should not be allowed to exceed the sanctioned

The D. SIR,

In forwarding herewith a copy of Audit Objection Memo on the pay bill of the Bangalore City Police for the month of February 1933 disallowing the local allowance claimed on behalf of constables who are in receipt of the personal allowance of Re 1/- sanctioned in Govt. Order No. P. 1093-4/Pol. 65-30 dated 22-8-1930 and cycle allowance to 8 constables on the ground that the former is not admissible as per G.O. No. Fl. 3121-30-176-31-63 dated 6-12-1932 to those whose pay is Rs. 16/- or more and the latter as it does not find a mention in the said G.O., I have the honor to request that you may be so good as to obtain specific sanction of Government authorising the Comptroller to admit the claims in question.

2. In this connection it may be said that it was not my intention that the police constables who are in receipt of the personal allowance should not get Local Allowance as evidently their pay has not been raised to Rs. 16/-. Personal allowance is not pay though Pay may include " Personal Allowance".

3. The number of officers and men to whom allowances have been sanctioned in the G.O. dated 6-12-1932 has since changed owing to the reorganisation and a correct statement showing the accurate number entitled to the several kinds of allowances at the rates sanctioned in the Govt. Order is herewith appended which may kindly be approved as otherwise the comptroller is likely to object provision for the

CHIEF SECRETARY
2 MAY 1933

To

R.Ranga Rao, Esqr, B.A., B.L.,
Chief Secretary to Government,
B a n g a l o r e.

Sir,

With reference to your letter No. P 5270/Pol. 47-32-9 dated 3/5-4-1933 forwarding for verification a statement showing various kinds of allowances drawn by police Staff, I have the honour to return the same with the following remarks:-

1. Correctness as regards the number of constables attached to Towns and Kasbas, entitled to local allowance cannot be verified in this office due to the fact that only the complete scale for a taluk is noted in the Audit Register and not the staff belonging to each station or Sub-station. The taluk scale is the unit for purposes of audit and as such the figures given by the Department may have to be accepted in these cases. According to Government Order No. Fl. 3121-30/S&A 227-32-1 dated 21-11/6-12-32, local allowance is to be continued only in the case of those whose pay is less than Rs 16/- and will cease when the pay rises to Rs 16/-. In the case of constables drawing Personal Allowance in addition to the maximum pay of Rs 15/- they are treated as drawing Rs 16/- for purposes of this rule and no local allowance is being admitted in their cases. The Inspector General of Police may be asked to exclude such men from the list of persons entitled to local allowance.

2. With regard to the allowance granted to constables doing bicycle orderly duty in Bangalore City, the Inspector General of Police states in his memo No Ac 1410/dated 20-4-33 that the cycle orderlies attached to Provincial Reserve will get the allowance of Rs 2/- (since reduced to Re. 1/-

PTO

and not those working in Bangalore city force.

3. House rent to the Sub Inspector, Bowringpet was hither to being paid from contingencies. It is a point for orders whether this has to be met from establishment charges in future.
